

Hi, Menka

I am happy to review your project today

There are many things that I like

**Part 1**

- Indicator card The card and the calculation are correct
- Linechart & scatter plot Well done

**Part 2**

- Great visulizations Everything is fine

**Part 3**

- Very informative barplots

There are no critical comments and I am happy to say that your project has been accepted

Keep up good work and good luck in the next sprint
